Resolution 93-14-F

INSTALLING LIGHTS BETWEEN GILBERT HALL AND CENTRAL HEATING PLANT

Introduced: November 16, 1993

- PURPOSE:** To request that the University install lights along the path between Gilbert Hall and the Central Heating Plant.
- WHEREAS:** Currently the lighting in this area is insufficient making the area a dangerous location on campus at night, and
- WHEREAS:** Installing lights would make the area easier to see if anyone was in trouble, and
- WHEREAS:** A better lit area would not have to be patrolled as often as a dark area.
- THEREFORE:** Be it resolved that we, the members of Student Government Association, do request that lights be installed along the path between Gilbert Hall and the Central Heating Plant.
- AUTHORS:** Tracie Lane
Amme Ramsey
Erin Bays
Erin Schepman
- SPONSOR:** Student Affairs
